

VILLAGE OF LILY LAKE

RESOLUTION NO. 2024-40

A Resolution Designating Authorized Users
of the Village's Google Workspace

• The village uses Google workspace as a convenient venue for collective work on various village matters. Google has advised the Village that it will be implementing a two-step verification process for access to the workspace. It, therefore, becomes prudent to designate the authorized users of the workspace by formal resolution.

NOW, THEREFORE, BE IT RESOLVED by the president and the board of trustees of the Village of Lily Lake, Kane County, Illinois that:

1. The president, as a global administrator, the clerk, deputy clerk, and the information technology consultant, from time to time employed by the village, be and are hereby authorized to have access to and use the village's Google workspace.
2. Steps should be taken to effect the authorizations set forth in this resolution immediately or as soon as possible.

Adopted by roll call vote on October 28, 2024.
