New Business

Tree Preservation

In light of new construction, the Plan Commission will begin a tree preservation discussion with the objective to recommend a tree preservation ordinance within the Village and the adjacent Planning Area.

Begin discussion:

Cheryl Pollak and Glenn Bork commented on the recent clear-cutting of trees at the Shell Station site. While it appeared that many of the trees removed were not of valued species, the process signaled the need for a future tree identification policy prior to construction.

A constant interruption from a member of the public led to a suspension of the Plan Commission meeting.

Adjournment

Meeting suspended at 7:51 PM.
