2024—2025 SEASON

---

- Notice of the Village's intent to accept bids for snow removal for the 2022—2023 season was duly published according to law.
- On August 3, 2022, the bids were opened and Active Excavating & Wrecking, Inc. was determined to be the lowest responsible bidder and its bid was accepted by the Village.
- The bid of Active Excavating & Wrecking, Inc. accepted by the Village contained an option allowing the Village to renew the contract for up to two additional years.
- The contractor has advised the Village that there will be a small price increase for the 2024—2025 season from \$180 per hour to \$200 per hour for the basic units used by the contractor and accordingly, it is in the best interest of the Village and its residents that the contract be renewed.
