

VILLAGE OF LILY LAKE

RESOLUTION NO. 2014-20

A Resolution Opposing the Disconnection of Territory from the Elburn & Countryside Fire Protection District and Annexation to Fox River & Countryside Fire Rescue District

- A petition has been filed to disconnect approximately nine square miles of territory from the Elburn & Countryside Fire Protection District (the "District"), and subsequently annex that territory to the Fox River & Countryside Fire Rescue District.
- The territory sought to be disconnected consists of approximately 9% of the total territory of the District and will result in a reduction of approximately 21% of the equalized assessed value and tax revenues of the District.
- The District represents that the reduction of its territory will not result in a reduction of the District's expenses.
- The disconnection of the territory will seriously injure the District as well as the taxpayers, residents and property owners residing in the remaining territory of the District.

Now, therefore, be it resolved by the president and the board of trustees of the village of Lily Lake, Kane County, Illinois that:

1. The village of Lily Lake opposes the disconnection of territory from the Elburn & Countryside Fire Protection District and the annexation of that territory to the Fox River & Countryside Fire Rescue District.

Adopted on October 20, 2014.
