

**VILLAGE OF LILY LAKE**

---

**RESOLUTION NO. 2016-10**  
**A Resolution Authorizing Grant Applications**

---

• The corporate authorities of the Village believe that the construction of an early warning alert system within the Village would promote the safety and general welfare of the residents of the Village and surrounding communities.

• Grants are available from Kane County through its Riverboat Grant Program and from Commonwealth Edison and the Metropolitan Mayors Caucus to fund initiatives that support safety in our neighborhoods.

Now, therefore, be it resolved by the president and the board of trustees of the village of Lily Lake, Kane County, Illinois that:

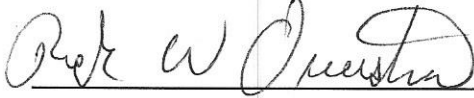

1. The Village should apply for available grants from the Kane County Riverboat Grant Program and the grant program sponsored by Commonwealth Edison and the Metropolitan Mayors Caucus for any available funds for the construction of a early warning alert system for the Village and surrounding areas and the president and clerk are authorized and directed to take such action as they deem reasonably necessary to carry out the purposes of this resolution.

Adopted by roll call vote on February 22, 2016.
