

VILLAGE OF LILY LAKE

RESOLUTION NO. 2016-20

A Resolution Approving The Purchase Of Building Codes

- The village has not updated its building codes for several years and it is in the interests of the village and the safety of its residents that current versions of the various building codes be purchased and adopted.
- The Illinois Municipal Code requires that at least one copy of each code to be adopted by reference be purchased and retained on file by the Village for at least 30 days prior to adoption.

Now, therefore, be it resolved by the president and the board of trustees of the village of Lily Lake, Kane County, Illinois that the purchase of the 2015 Edition of the International Building Codes together with the National Electric Code and the NFP Life Safety Code is approved for an amount not to exceed \$1500 and the clerk is directed to purchase the codes and maintain them on file in the village office.

Adopted by roll call vote on June 27, 2016.
