Approval of the Minutes of the September 1, 2015 Public Works Meeting

The minutes from September 2, 2015 meeting were approved as presented.

Guests and Public Comment

None.

New Business

A pedestrian sign was requested on Wooley Road. The committee voted not to approve the sign. The Manual On Uniform Traffic Control (MOUTC) does not warrant a sign on low speed, low traffic roads. It is recommended that the pedestrian crossing by the bike path should be used. By Illinois state law, pedestrians always have the right of way.

Old Business

The paving project should begin by October 15. The crack filling has already been completed.

Adjournment

The meeting was adjourned at 7:15pm.
